Brief Synopsis

Current Situation as of 0900 hrs.

There are currently no protestors on Parliament Hill and there are less than 100 people in and around the Wellington, Elgin, Rideau and Sussex corridor. Detailed vehicle counts were conducted again in a wider geographic area and the numbers are again skewed. We are seeing a decrease in the number of heavy trucks but there is an increase in the number of pick up trucks and related vehicles.

The deployment of integrated police teams continues in a variety of Static Traffic, QRT, mobile response and CSET. Officers continue to educate and deter ingress of supplies to the inner perimeter with enforcement activities continuing with integrated OPS/Bylaw teams. PLT, supported

by QRT's, are distributing additional flyers with firmer wording to the protestors.

Public Works has erected 5,000 feet of fencing around in the Parliamentary Precinct to fortify the area.

Pat King has been livestreaming through the Ottawa area, including attendance at different staging areas of police resources. He also attended the Wellington area, encouraging the various trucks to sound their horns.
